CONTEMPORARY BRASSWARE, SHOWERING & ACCESSORIES JUNE 2023

marflow  
LUXURY BATHROOM BRASSWARE SINCE 1968

# now

## COLLECTION

**For over 50 years Marflow Engineering have been designing and developing bathroom brassware in Birmingham.**

The NOW Collection offers an exquisite range of taps, mixers, showers and accessories.

These include contemporary and traditional designs with the latest features and finishes and provide a cost-effective option for any bathroom without compromising on quality.

### **10 YEAR PRODUCT GUARANTEE**

In domestic applications, Marflow's NOW Collection products are guaranteed for 10 years and cartridges for 5 years. Subject to the Terms and Conditions available on our website.

For full details visit our website: [www.marflow.co.uk](http://www.marflow.co.uk)

We are totally committed to using only quality materials in our brassware, which together with the best of both traditional and modern engineering processes, ensure that our taps, showers and accessories set the standard in aesthetic design and performance.

Design, craftsmanship, quality and performance; the cornerstones of our business since 1968.

# INTRODUCING OUR TAPS AND MIXERS RANGE

Whatever look you want to achieve, there is a perfect choice available in the NOW Collection. Go for sleek and simple, dramatic and angular, or a classic, curvy cross head such as the Ferrada.

## CUTTING EDGE DESIGNS

The NOW Collection brings together cutting edge designs that are guaranteed to make a statement in any bathroom.

This DNA runs through every product from basin and cloakroom mixers to bath fillers and showering solutions.

## THE LATEST FINISHES

In addition to ever popular Chrome, NOW offers the very latest finishes.

Choose from Matt Black, Brushed Brass, Brushed Gold, Brushed Nickel and Gunmetal Grey.

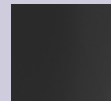

### CHROME **ch**

The original finish that is always on trend.

### BRUSHED NICKEL **bn**

Bring a designer feel to your bathroom.

### MATT BLACK **bk**

Bring a designer feel to your bathroom.

### BRUSHED BRASS **bb**

Let your inner designer free with the Brushed Brass Finish.

### BRUSHED GOLD **bg**

Add a touch of luxury to any bathroom with new Brushed Gold.

### GUNMETAL GREY **gm**

A unique blend of grey & silver blue with a metallic feel, new for 2023.

## FEATURES:

### 10 YEAR PRODUCT GUARANTEE

In domestic applications, Marflow's NOW Collection products are guaranteed for 10 years and cartridges for 5 years, from the date of purchase. Chrome finishes are guaranteed for 10 years and other finishes for 2 years. Subject to the Terms and Conditions available on our website.

### CERAMIC DISC TECHNOLOGY

All our taps and mixers include ceramic disc technology unless otherwise stated, which gives greater control over the water flow, providing assured reliability and minimising maintenance.

### ERGONOMIC AND MODULAR DESIGNS

Ergonomically designed for ease of use, our brassware products share common design features, giving you the freedom to mix & match across the range.

### COLD START FUNCTIONALITY \*

With Cold Start, only the cold water flow is activated when the tap is turned on with the lever facing forwards, reducing hot water consumption by up to 30%. The hot water starts flowing as quickly as with an ordinary tap.

\*Available on the Pava Range.

WRAS approval may be available on some products within this brochure. Please contact your Sales Representative for further details.

1.0 bar: 7.9 l/m | 3.0 bar: 13.6 l/m

## CARMANI

Simplicity itself. The fine lines and slender, angular design means that these taps will look at home in an ultra-stylish bathroom. With the extra attraction of Brushed Brass and Matt Black finish options here is even more reason to admire them.

Matt Black finish available

Brush Brass finish available

Wall Mounted Basin Mixer shown in Chrome

## CASCATA

Our Cascata range adds a touch of class with its knurled handle design. Perfect for contemporary bathrooms.

# SHOWER FIXING KITS

## SUITABLE FOR BAR VALVE INSTALLATIONS

### A SIMPLE SOLUTION TO AN EVERYDAY PLUMBING PROBLEM

#### PL8 SHOWER FIXING KIT

Designed for new builds and first fix installations. Quick installation of accurate pipework for a firmly fixed shower. The Shower PL8 kit consists of the highest standard components and provides a strong secure fixing. Easy, quick and precise installation of bar shower mixers to new pipework.

**PL8 - £33.23**

#### features

- For First Fix installations
- Reduced installation time
- No depth planning required as it can take up any tile thickness
- Pipes can be checked as level before tiling or Bar Valve fitment
- Chamfered compression nuts for easy and controlled tightening
- A plate design that eliminates lateral skew when tightening fixings
- Perfect 150mm centres to fit 99% of bar-type showers
- Once fitted the bar valve is extremely secure (can withstand a direct pull force of 130kg with no defects)

#### PL4 SHOWER FIXING KIT

Designed for existing bathrooms, pipework and tiles, the Fast Fixing Kit PL4 is perfect for replacement showers. The fast fixing kit PL4 consists of the highest standard components and provides a strong secure fixing. Easy, quick and precise installation of bar shower mixers to existing pipework.

**PL4 - £24.28**

**PL4B - £26.72**

#### features

- Available in Chrome and Black
- For Second Fix installations
- Reduced installation time
- Secures existing pipe work
- Solid Brass construction
- 4 fixing points per pipe
- Chamfered compression nuts for easy and controlled tightening
- Comes with high quality Stainless Steel shrouds

## GENERAL INFORMATION

### **BROCHURE INFORMATION**

All information contained in this brochure is accurate at the time of going to press. Marflow Engineering Limited reserves the right to introduce changes and modifications without prior notice.

Please note all prices shown are inclusive of VAT at the current rate. Whilst every attempt has been made to select images that accurately portray our products, variations in colour and style cannot be avoided. Further variations may also be caused by inconsistency in colour, reproduction and print.

### **TECHNICAL DRAWINGS & INSTALLATION GUIDES**

Our technical drawings and installation guides are available to download from our website free of charge. We recommend installation is carried out only once the relevant guide has been read and understood by the installer.

Please note all products in this brochure are for Northern Ireland low pressure installations. Minimum 0.2 bar recommended unless otherwise stated. Our thermostatic shower valves are factory set to 38°C and fitted with an anti-scald function designed to protect the user by automatically cutting the water flow.

### **DIMENSIONS**

Please note all dimensions in this brochure are shown in millimetres unless otherwise stated. They are intended as a guide only and may be subject to a degree of inaccuracy.

### **PRODUCT GUARANTEE**

When installed in domestic applications, Marflow's NOW Collection products are guaranteed for a period of 10 years and cartridges are guaranteed for a period of 5 years, from the date of purchase. Chrome finishes are guaranteed for 10 years and all other finishes are guaranteed for 2 years. Finish guarantees are subject to the Product Guarantee Terms and Conditions available on our website.

### **WEBSITE INFORMATION**

Full details of all our products and their technical specifications can be found on our website, [www.marflow.co.uk/now](http://www.marflow.co.uk/now). We endeavour to regularly keep this updated including details of where to buy our products, copies of our latest brochures and installation details.

### **CONTACT & CUSTOMER SERVICE**
